OPEN HOUSE

A Demystifying Medicine Seminar made by Health Sciences 4DM3 students - Winter Semester 2018

DATE: MONDAY, APRIL 2, 2018

In this Demystifying Medicine and Knowledge Translation event 4DM3 students will present examples of their work during the winter semester 2018. Each group will showcase and discuss how they created short videos aimed to enhance the understanding of various complex medical and scientific topics. This event is open to all and refreshments will be served.
